Then Church Protect Institute is the type of training tailored just for you! Co-founders Jon Uhler, M.S., and Jimmy Hinton, M.Div have taken their nearly 40 years of combined clinical and pastoral experiences and developed a rigorous one week intensive course designed to equip individuals and leaders to be the best guardians of children.

Jon has 20 years working as a clinical therapist with individuals, couples, and families, in hospital, residential treatment, and outpatient settings. He has over 10 years experience working with adjudicated adolescents and seriously emotionally-troubled teens, as well as with seriously emotionally-disturbed adult prisoners within a maximum security setting. He has counseled over 3,000 sex offenders over an 11 year span within Pennsylvania state prisons. Jimmy is a full time minister who reported his own father in 2011 when allegations of sexual abuse were brought to him. His pedophile father produced victims in the church where Jimmy ministers and was given a 30-60 year sentence in Pennsylvania state prison in 2012.

The unique experiences of Jon and Jimmy led to the founding of Church Protect, Inc. They consult with churches in crisis across the United States and have developed the most unique and effective training resources to help churches prevent abuse and walk through the aftermath of abuse. Church Protect Institute is located in the Laurel Highlands of Pennsylvania at a rustic camp setting and is the perfect location for learning, growing, rest, and meeting new people.
